BY THE COURT: -

The petitioners have filed this writ petition seeking relief that the respondents may be directed to release the annual grade increments to the petitioners from the date of their initial appointment with all consequential benefits.

The respondents in their reply to the writ petition stated that the petitioners have procured employment on the strength of B.Ed. Degrees, said to have been issued by the Kanpur University. Subsequent to their appointment, the University

authorities were approached for verification of the B.Ed. Degrees. The University authorities vide letter dated 19.6.1992 informed the respondents that B.Ed. Degrees in the name of the petitioners are forged one and have not been issued by the University. The respondents thereupon dispensed with the services of the petitioners vide order dated 4.1.1996 after serving of notice upon them.

On being require to explain this position, Shri M.S. Singhvi learned counsel for the petitioner states that legal notice was served upon the Panchayat Samiti, Raisinghnagar. In response to the said notice, it has been informed that the petitioners have preferred appeal against the order of the termination. No information has thereafter, been so received by him from the petitioners.

In my view, once, the respondents have terminated the services of the petitioners on the ground of their B.Ed. Degrees have been found forged, they cannot get any relief in the present writ petition.

Hence, the writ petition of the petitioners is hereby dismissed.
